

# Thank You Three Links Support Staff

**THREE LINKS CARE SOCIETY**

For the month of June, the Three Links Care Society celebrated support service month to recognize the skill and tireless dedication of our kitchen, housekeeping and maintenance team to improve the quality of life of the residents we serve. Their hard work does not go unnoticed at the best of times. It has been particularly noticed and evident during the current pandemic. Please join us in continuously congratulating our entire Support Services team. We are so grateful to have you on our team.

In June, Three Links planned special events to recognize our staff, including long service awards for five members of our team that are celebrating their 15th and 20th anniversaries at the Care Centre this year.

With Junes celebration, we also recognized the leadership of, Marie Olsson our Director of Operations and Housing, that has helped lead the Three Links team since 2002. Thank you to Marie for you endless contribution and uplifting leadership.
